Dear Editor,
Thank you for your email. I really appreciate you and your team hardwork to check my paper.
Concerning two (2) issues that you have described above,
I would like to inform that
1. I will remove author's name in the review manuscript and resubmit it to the system.
2. I wrote this paper alone. So there is no co-authors in my paper.
I will keep you update after complete re-submission through Ms.Senny (conference organizer). Thank you for your kind consideration on my paper. I hope it can be published and meet the standard of MAR.

Looking forward to hearing good news from you
