INCITEST 2022 **UNIKOM**

Dear Authors,

Considering the world-wide spread of the novel coronavirus (COVID-19) and the uncertainty surrounding the end of this pandemic, we have decided to hold the **INCITEST 2020** on 11 June 2020 in online format (via Zoom). Please prepare your presentation in Power Point with the duration of 5 minutes and update your information by accessing our website regularly.

In this condition, there is no specific date deemed safe to which we could postpone the conference until the world-wide travel is safe again. We have all put so much effort in preparing the papers, organizing as well as conducting the review process, working on the program and everything surrounding it that we feel very motivated to pull this through.

We encourage all participants to present your works. We wish you a successful and beneficial conference.

Best Regards,
The organizing committee of **INCITEST 2020**
