Dear Author,

Thank you for submitting the following manuscript to Journal of Engineering, Science and Technology:

Journal Name	Journal of Engineering, Science and Technology
Manuscript ID	JESTEC_2022_ Eddy Soeryanto Soegoto
Authors	Rizky Jumansyah, Rangga Sidik, Eddy Soeryanto Soegoto,
Title	IT Blueprint Design With Togaf ADM Framework For Information System Development

It has been reviewed by experts in the field and we request that you make major revisions before it is processed further. Please find the comments from reviewer in the attached file.

Please revise the manuscript according to the reviewers' comments and uploadthe revised file within 10 days. Use the version of your manuscript found at the above link for your revisions, as the editorial office may have made formatting changes to your original submission. Any revisions should beclearly highlighted, for example using the "Track Changes" function in Microsoft Word, so that changes are easily visible to the editors and reviewers. Please provide a cover letter to explain point-by-point the details of the revisions in the manuscript and your responses to the reviewers' comments. Please include in your rebuttal if you found it impossible to address certain comments. The revised version will be inspectedby the editors and reviewers. Please detail the revisions that have been made, citing the line number and exact change, so that the editor can checkthe changes expeditiously. Simple statements like 'done' or 'revised as requested' will not be accepted unless the change is simply a typographicalerror.

If the reviewers have suggested that your manuscript should undergo extensiveEnglish editing, please address this during revision. We suggest that you
have your manuscript checked by a native English speaking colleague or use aprofessional English editing service.

Do not hesitate to contact us if you have any questions regarding the revision of your manuscript or if you need more time. We look forward to hearing from you soon.

Kind regards,
