

Business Communication First Task

Dear students...

First of all, I would like to apologize we are forced to miss several weeks in class. I beg for your understanding and I will explain it to you in class, soon. But before that, there are several things you should do. Please no hard feeling 😊

These are several things that you should do:

1. Join the class KOMBIS HUMAS or KOMBIS JURNAL in *Kuliah Online*
 - *) Term and condition:
Every student SHOULD JOIN THE CLASS BEFORE THURSDAY, OCTOBER 1st, 2015. I will give you second task on Friday, after knowing the total number of students. Therefore, STUDENTS WHO DID NOT JOIN THE CLASS WILL NOT GET THE SECOND TASK.
2. I already upload two files on that class. Please download and read it
3. You can use file named SILABUS as guidance material during this semester

About several weeks that have been missed, I promise to replace it before middle and final exam. Thank you for your attention. See you on the second task.
