The following message is being delivered on behalf of Journal of Computational and Theoretical Nanoscience(JCTN)

Andri Sahata Sitanggang:

Thank you for submitting the manuscript, "Web-Based Environmental Learning Information System in SMA Angkasa Lanud Husein Sastranegara Bandung" to Indonesian Journal of Computational and Theoretical Nanoscience(JCTN). With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:
Manuscript URL:
https://mstracker.com/submit1_dev.php?ic2=ctn&SubmitType=N/author/submission/189
Username: andrissahata
If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

To: Andri Sahata Sitanggang <andri.sahata@email.unikom.ac.id>

The following message is being delivered on behalf of Journal of Computational and Theoretical Nanoscience(JCTN).

Andri Sahata Sitanggang:

We have reached a decision regarding your submission to Journal of Computational and Theoretical Nanoscience(JCTN), "Web-Based Environmental Learning Information System in SMA Angkasa Lanud Husein Sastranegara Bandung".

Our decision is to: Accept Submission

8.	Please provide History details. The history is the date you sent your paper to ASP and the date of their acceptance letter back to you. Date submitted: _____ Date accepted: _____	Data submitted : Nov, 2th 2019 Data accepted : Nov, 15th, 2019
9.	Please provide citation (call out) for Figure 2 in your text. It would be best to give the paragraph from your paper that includes this added citation. You must mention in your article that the reader should view the figure or table. For example: The Hoover Dam (see Figure 2) was built in 1931. This is called a text citation.	On the material page (see figure 2), the teacher can create, change or delete material that can later be accessed by students.
10.	Please provide citation (call out) for Tables 1, 2 in your text. It would be best to give the paragraph from your paper that includes this added citation. You must mention in your article that the reader should view the figure or table. For example: The Hoover Dam (see Tables 1, 2) was built in 1931. This is called a text citation.	Software requirements (see table 1) and hardware (see table 2) needed for the application are expected to be met properly

AMERICAN
SCIENTIFIC
PUBLISHERS

Date: 20-September-2019

Dear Wahyuni, Erzy Pratama Fadryan, Andri Sahata Sitanggang:

We glad to inform you that your research manuscript entitled “**Web-Based Environmental Learning Information System in SMA Angkasa Lanud Husein Sastranegara Bandung**” has been accepted for publication in Journal of Computational and Theoretical Nanoscience(JCTN) (Scopus Indexed Journal(Q3)) in Volume 16, No.12, December 2019.

Your paper will be published online at after editing process is completed. If you have any other questions, please do not hesitate to contact us as soon as possible. Thanks for your support to our journal.

This letter is official confirmation of acceptance of your research paper.

Yours Sincerely,

Dr. Rui-Hua Xie,
Editorial Office
Journal of Computational and Theoretical Nanoscience
