Dear Editor
Bio-HS

I read and use scientific articles published in Bio-Hs Journal.

The performance of the BIO-Hs Journal was excellent, and the article published helped me in conducting research and writing scientific articles.

I am a Lecturer at Universitas Komputer Indonesia

I have completed a scientific article entitled "Quality of Accounting System and Internal Control: How is the Implementation at PT. Nusantara Jaya Sentosa"

I hope this article can be published in the BIO-HS Journal, because there are interesting findings in the scientific article that can become new treasures in science, especially in the field of social sciences.

I am willing to go through the review process following BIO-HS Journal standards.

Best Regards,

Dr. Inta Budi Setya Nusa
